

## **MOTION PICTURE DIRECTING MA diploma requirements**

A student may graduate with

- a minimum of 9 minutes of fiction or documentary film or a creative hybrid use of these;
- a viral series, consisting of at least 5 episodes (total length of at least 9 minutes)
- (a minimum of) 3 or 4 music videos by an emerging band or artist (total length min. 9 min.);
- a moving image installation

All other cinematographic works not falling into the above mentioned and/or traditional genre categories can only be submitted for graduation with the prior consent of the consultant.

The diploma package must not include any material for which royalties are to be paid.

The project must be discussed and accepted by the consultant in advance. The consultant will only agree to the submission of the diploma package if the student has attended at least three compulsory consultations with the thesis and has completed the tasks assigned for the respective dates.

Additional requirements to be fulfilled:

- documentation of the preparation of the diploma work, i.e. the preparation of a 'working diary' and its approval by the consultant
- as part of the working diary: a director's concept, a breakdown analysis of the scenes, beats and shots and, where appropriate (request of the consultant), a story board
