

Kurzus kódja(i): BMA-FLMD-376.19, BMI-FLMD-376E.14

Kurzus címe: Avid - editing in practice

Tanár neve: Bacskai Brigitta

Kurzus időpontja, helye: Friday 16:30-18:00 computer room

Kurzus típusa: practice

Kurzus leírása: The aim of this Avid course is mainly to discover and learn all the effect - both visual and audio - palette in Avid, to understand and practice the use of audio tool, title tool, and also to learn to handle different type of material in the software. While learning these practicalities, students also will deepen their knowledge of visual storytelling, focusing on defining the main character, main conflict, main plotpoints - as they will edit a trailer for given films.

Kurzus teljesítésének követelményei: The course is completed if both of the trailers are done by the end of the semester and meet the given criteria.

Elsajátítandó kompetenciák és módszerek
